RU Ready for the Career Fair?

The Fall 2015 Career Exploration and Graduate School Fair will be held on Wednesday, October 7 from 10:00am to 2:00pm in the Recreation Center. Representatives from employers and graduate schools will be there to discuss potential full time employment, internships, and further education possibilities. To prepare yourself, make sure that you can present yourself in a professional manner by having a professional outfit picked out and your resume polished.

To prepare your resume, you can make an appointment at the Office of Career Advancement on the second floor of Savitz Hall to see an advisor, or drop in during their resume walk in hours which are as follows:

Tuesday 10:00am - 4:00pm

Wednesday 10:00am - 3:00pm

Thursday 1:00pm - 4:00pm

Friday 10:00am - 4:00pm

The OCA website has guidelines on how to dress and present yourself professionally. Remember, Career Fairs sponsored by Rowan University **require** that you dress as if you're going to an interview. Job candidates who are not dressed professionally will not be admitted to the career fair.

Note: The Career Management Center is now called the Office of Career Advancement. While continuing to have very strong bonds with Student Life, the Office will organizationally be part of University Advancement and report directly to the Vice President for University Advancement, R.J. Tallarida.

Internship Opportunities

Looking for a job or an internship? There's a variety of positions for all majors [on ProfLink!](#)

Summer Finance Intern at MPI Business Valuation and Advisory

MPI (Management Planning Inc.) is a business valuation and advisory firm providing valuations for a variety of tax, financial reporting and other business applications, as well as corporate advisory services to business owners and their representatives. MPI's internship is a 13 week program for juniors (rising seniors) majoring in finance, accounting or economics. Training sessions are held during the first and second weeks of the internship. Roles will include assisting senior staff on both client-related projects and non-client related research projects.

The internship will involve financial modeling, financial statement analysis, public company research and analysis, industry research, writing text to help support analytical conclusions, use of S&P Capital IQ and Bloomberg. Interns will be exposed to various industries, numerous staff members, and different types of projects. The internship will be located in Lawrenceville, NJ. If interested, look on [their website](#) for company information.

Adrian Project: Junior and Senior Accounting Majors

Rowan University has been selected to participate in the Internal Revenue Service, Criminal Investigation Unit's mock white collar crime investigation known as the Adrian Project. This is an elite opportunity for you and our school as they only pick one school in New Jersey to participate. This will be Rowan's second involvement with this event. You will be participating as an IRS agent investigating a white collar crime for the entire day. The unit will train you in examining the financial records, in questioning the suspects, in surveillance and in apprehending the suspects. This is a great opportunity to experience an exciting career in Accounting and Finance. The investigation will take place on Friday, November 13th from 7:00 am to 5:00 pm. If you are in good standing and would like to participate, look for the email that Professor Fabrico-Basile sent out! The application deadline is October 12th.

Club Meetings

American Marketing Association Meeting: Join us to learn a few tools in Website Analytics, SEO/SEM, and Social Media marketing. Our Guest Speaker, Jason Howie, will use a client use case with a good amount of web traffic to demonstrate what to look for and how to interpret the data. **The meeting will be on Thursday, October 8th from 2:00-3:00 pm.**

Accounting Society Meeting: The next Accounting Society meeting will be held in Bunce 107 on Friday, October 2nd.
